Single-pack and full-carton prices are separate offers. *Weights are quotation references. Final packed weight will be confirmed before the shipping quotation.

MATERIALS & PRODUCT RANGE

LANCOOL Anion sanitary pads and pantyliners use a dry-feel through-air-bonded nonwoven topsheet and a wood pulp + SAP absorbent core, with an added anion chip. The sanitary pads feature wings and hydrophobic side guards to help reduce side leakage. Each piece is wrapped in PE film. Choose 155 mm pantyliners (20 pieces/pack), 245 mm day pads (10), 290 mm night pads (8), or 350 mm extra-long night pads (6). Existing stock uses Chinese packaging. Single-pack and full-carton EXW prices are quoted separately.

Ask Li for available product-specific test documentation when evaluating samples.
