**USD 0.1352 / pc**

CNY 0.90 / pc

### XL | Cooling reference

Hip fit: 90-115 cm

**USD 0.1427 / pc**

CNY 0.95 / pc

### CHOOSE YOUR INSERT

Standard slow-release cooling  
or one of these options:

Anion / Taxus

Tea polyphenols / Peppermint

Wormwood powder

Lactic acid / Graphene

+ CNY 0.05 / piece  
to the plain base product.  
Already included in the L / XL prices  
shown. One insert replaces another.

EXW per unpackaged piece, including one selected insert. Packaging, freight and other upgrades extra.

Photos show the standard cooling reference on display forms. USD reference uses 28 Oct 2026 FX; request a current quote.

## BASE MATERIALS + STANDARD COOLING TECHNOLOGY

### L / XL - SHARED BASE

Soft hot-air nonwoven topsheet: 24 gsm  
Core: 4 g wood pulp + 3 g SAP per piece  
Elastic nonwoven waist: 15 gsm  
Hydrophobic side barriers: 13 gsm  
Public-design backsheet: 18 gsm

### STANDARD COOLING INSERT

34 x 85 mm in L and XL.  
Layered powder-based, slow-release insert.  
Airlaid paper + hot-melt adhesive + cooling powder + wet-strength  
tissue.  
Sealed foil-barrier pouch; bag quoted separately.

## CHOOSE YOUR CUSTOMIZATION LEVEL

### STARTER PRIVATE LABEL

**10,000 / size**

pieces - each size separately

Existing pattern and base construction.

Customer supplies compatible branded  
packaging.

### STANDARD-PLATFORM CUSTOMIZATION

**50,000-100,000**

pieces - reference quantities

Same pattern; brand-logo backsheet and  
compatible inserts.

MP02 logo film: 50,000 pieces per size.

### CUSTOM DEVELOPMENT

**200,000+ pcs**

starting reference

New pattern/tooling; selected materials,  
core and colours.

Final MOQ and charges follow project  
review.

Product MOQ, dedicated material purchases and packaging minimums are separate. Options require sample / feasibility review.

## CUSTOM BACKSHEET - MATERIAL PAYMENT

Approx. 1 tonne can be shared across L / XL for the same brand and design. Material reference: CNY 13,000+ per tonne; plate reference: CNY 1,000+. Customer prepays these charges. After each batch, the material amount for actual usage is refunded; plate charges are non-refundable. Exact charges and storage terms are agreed before ordering.
