CHOOSE YOUR CUSTOMIZATION LEVEL

STARTER PRIVATE LABEL

10,000 / size

pieces - each size separately

Existing pattern and base construction.

Customer supplies compatible branded packaging.

STANDARD-PLATFORM CUSTOMIZATION

50,000 / size

pieces - each size separately

Same pattern and base construction; print your logo on the backsheet.

Each size meets the minimum separately.

CUSTOM DEVELOPMENT

200,000+ pcs

starting reference

New pattern/tooling; selected materials, core and colours.

Final MOQ and charges follow project review.

Product MOQ, dedicated material purchases and packaging minimums are separate. Options require sample / feasibility review.

FOUR SIMPLE CHANGING STEPS

1. Open the side tabs. 2. Position the pants. 3. Refasten both sides. 4. Adjust the waist and leg fit. The garment is disposable. Your retail pack count, film artwork, printing plates and packaging are quoted separately. Final specification, lead time and payment terms follow the approved project.
