CHOOSE YOUR CUSTOMIZATION LEVEL

STARTER PRIVATE LABEL

10,000 / size

pieces - each size separately

Existing pattern and base construction.

Customer supplies compatible branded packaging.

STANDARD-PLATFORM CUSTOMIZATION

50,000 / size

pieces - each size separately

Same pattern and base construction.

Print your logo on the backsheet. Film and plates are quoted separately.

CUSTOM DEVELOPMENT

200,000+ pcs

starting reference

New pattern/tooling, selected materials, core and colours.

Final requirements follow project review.

Each size meets the starter / customer-logo minimum separately. Product, dedicated materials and packaging minimums are separate.

SIZE, SAMPLE AND PACKAGING PLAN

Quote sizes match the existing retail labels: M-L and XL. Confirm wearer fit, final size naming, product weight and artwork with the selected sample. Specify pack count, individual wrapping, retail bags and cartons for a separate quotation.
